If so, why are you switching to a different groomer:		

Has your dog had any issues in the past with grooming or are you aware of any issues they may have now? (i.e. aggressive tendencies, like/dislikes, etc.)
Does your dog have any medical conditions the groomer should aware of? (i.e. heart condition, arthritis, allergies to shampoo or cologne, etc.):
Would you like a minor trim or a full trim on your dog?
If your dog is receiving a full groom/trim, how much coat would you like removed? (i.e. half length, one inch, ½ inch, etc.):
If you own a dog with a breed specific haircut, do you want that done? (i.e. Westie, Cocker, Schnauzer, etc.):
Do you want a puppy cut, which trims the dog the same length all over, with the head and face slightly longer?
Do you have any additional instructions for your dogs grooming visit? (i.e. leave ears long, keep hair on legs longer, etc.)

Please review our grooming policies and be aware that all grooming instructions are subject to change when the groomer meets your dog or while grooming your dog. There may be something the groomer cannot do because of your pet's coat condition, behavior, or health.
